## Letter from the Youth Worker's Office

Welcome to the August edition of the Parish Magazine! As we step into the heart of summer and the slower rhythm that August often brings, many of us find a little more time to pause and enjoy the beauty around us. Whether you're at home tending the garden, away visiting family, venturing off on holiday or simply enjoying the longer days, I hope you're finding some time for rest, renewal and the odd moment of peace.

Here at St John's, however, the quiet of August comes with a joyful burst of energy—our Holiday Club is just around the corner! Starship Discovery launches on

Monday 18<sup>th</sup> August and runs until Friday 22<sup>nd</sup> August. During that time our church centre will be filled with children, music, crafts, and storytelling as we welcome local families into the heart of our church community.

This year's Holiday Club is especially exciting as it ties in with our continuing **Year of Discipleship**. As we blast off on a voyage of discovery, we will be looking at the story of Peter- one of Jesus' disciples- following his journey from that first moment he was called to follow Jesus into the unknown. With Bible stories, games, and creative activities, we'll be helping our young people discover what it means to follow Jesus.

A huge thank you to everyone who is helping to bring it all together—from decorating the hall to being a team leader, and from preparing snacks and crafts to praying behind the scenes. It's truly a whole-church effort and a wonderful expression of discipleship in action.

Please continue to pray for all involved—for energy, joy, and for God's love to shine through every moment, and may this summer be a time for all of us, young and old, to take another step forward in our adventure of following Jesus.

Georgie xx

## St. John's Church Fete 2025

Thank you for helping to make the 2025 Fete so successful. Hosted by Rev. Tim and Alexandra, we had the pleasure of welcoming so many people from Merrow, the local surroundings, and friends & relatives of the wonderful dancers.

The entertainment was brilliant, with Merrow School Maypole Dancers performing a traditional folk dance with ribbons woven into complex patterns. Our thanks to their teachers and parents.

For the first time, the Italia Conti Academy squeezed us into their busy schedule, and performed a magnificent, energetic, foot-tapping routine.

A few successful numbers:

- £3000 of takings after costs and sponsorship (our thanks to Chantries & Pewleys for their support)
- more than 400 people attended (plus a few dogs!)
- 12 stalls offering food, drink, art, plants, books, activities, children's entertainment (and a zoo!)
- Thanks to 70+ valued volunteers who pulled it together for us and loan of gazebos

Thank you all,

Richard Burtonwood, on behalf of Organizing Committee

## Parish BBQ – 20<sup>th</sup> July 2025

Thank you for helping to make the 2025 BBQ such a successful social gathering for the whole Parish.

Once again, Rev. Tim and Alexandra were first class hosts and welcomed over 100 parishioners to their garden.

The organization was handled by the Men-in-Fellowship team with the invaluable support of many, including Georgie, Carole, Tricia & the Pimms/bar team.

The English country garden atmosphere was encapsulated by the musical trio, led by Ken MacIntyre who gave up their afternoon in support of the BBQ Event. Our thanks to all three of them for their delightful music.

Your generous donations were gratefully received and will see another £400 going towards the Young People's Ministry Fund.

Thank you

On behalf of the Organizing Committee

## Friendship experiment – 60 years on!

Merrow's Wednesday Morning coffee club celebrated in style at St John's Centre on the 23<sup>rd</sup> of July for our 60th year Anniversary of continuous coffee mornings (barring Covid). We were very honoured to have our MP Zoe Franklin, our Mayor, Howard Smith, and our Deputy Mayor, Jane Tyson among others, come to help us celebrate this milestone, and it was lovely to meet them and show them what a vibrant group we are.

As always there was a lovely buzz and all the helpers had worked hard to make fresh sandwiches, fruit scones and an assortment of cakes, so there was something for everyone, including goodie bags to save all the food left over going to waste!

The event was, as much as anything, to celebrate the hard work of all the helpers (in all aspects) who have kept the club running over all these years, and hopefully will continue to do so for the next forty years till we reach our centenary.

A person said to me, 'oh yes, the coffee morning, that is for the elderly, isn't it?', and the answer

has to be Yes, as the oldest Member is over 100, but this does not mean they are mentally 100, as he is still driving, and as you would hear, if you came along, there are always lively conversations.

The coffee club is not a Club for the Elderly - yes it does have older people, but it works, because it has people of various ages, who come along when free on a Wednesday Morning for a friendly chat over a good cup of coffee or tea. Those who are younger and think that it is not for them, are more than welcome to come and help serve the coffee and biscuits, with no more commitment than helping a flexible team once a month, 3 hours in a month is hardly a major commitment and you would be doing your bit to keep the community of Merrow thriving.

If you want to know more, then either just turn up after 10.15am on a Wednesday, or ring or email me, and I would be happy to give more details.

This was our last coffee morning before the school Holidays, but we hope to see you when we return on the 3<sup>rd</sup> of September.

Have a great Summer.

Gerald Hunt (Coffee Club organizer)

## **View from the Pews**

Attendance at St John's is increasing to our immense delight. New projects are frequently started, and old ones are invigorated. Different approaches are taken in many areas. Our wonderful youth worker is to be a permanent fixture. Being English I feel there must be a but here somewhere, but I can't think of one. Let's just thank God for the plentiful blessings we are receiving.

Chris Starr

Thank you very much to Chantries & Pewleys for sponsoring our colour cover again this year. This month's photo was taken by Carole Burtonwood at the Women in Fellowship's trip to Wisley in May and shows the group with Kate Dumbleton who guided them round.

## **From Merrow C of E Infant School**

Dear Friends,

We hope that many of you were able to enjoy seeing the Maypole Dancers at the recent Rectory Fair. We are so proud of them for learning their dances and performing them to the wider community as well as grateful to the staff who teach them the dances. It is a lovely tradition that we are so pleased we can uphold each year.

As ever, this has been a very busy few months at Merrow Infants School. We are busy with Transition across the school; welcoming the new children who will start in YR in September, supporting the children who will be moving up to the juniors and onto other schools as well as all the end of term activities that we all love.

We are looking forward to seeing the Y2 Leavers production; it is always great to hear their memories of 3 years at Merrow, what they have enjoyed the most, the trips they have been on and to see their photos from over the years. We also have the Leavers Service to look forward to; we hold it on the school field, with parents and the rest of school. It is always quite a poignant occasion.

As ever at this point in the year we say many 'thank yous'. A particular big thank you goes to our wonderful PTA who do so much to enhance the experiences for the children at school in a myriad of ways; they work very hard to organise high profile events such as the Fairs but they also work quietly in less visible ways. Each year money is donated by the PTA to a 'Class Fund' which is used by teachers to buy those extras that every classroom needs - special craft activities, gardening & cooking resources and new toys - we very much appreciate this additional budget each year!

We also say goodbye to Mrs Williams who is leaving to have a baby, Ms Clark who is going to further her academic studies and to Mrs Carter and Mrs Carr who are leaving the infant site to go to the juniors. We thank them all for their hard work and dedication to the Infant School and wish them well in this next step in their lives and careers.

We thank you for your prayers, good wishes and support and look forward to seeing you in the new academic year.

Warm regards,

*Emma Hooper*

## **Gardening Hints for August**

I trust that by the time that you read this article, the heat wave will have past, without killing off too many plants and then we await the next one.

Continue to harvest fast growing vegetables and salad crops as they mature.

Keep Runner Beans well watered, so that the flowers set fruit.

Increase the feeding of Tomatoes as the fruit begins to form.

Spring Cabbage and Turnip can still be sown, as can Parsley, Lettuce and Radish, to provide a late crop. Main Crop Potatoes can be lifted now.

When harvesting Onions, wait until 75% of the tops have fallen over naturally, before lifting. Store the Onions in a dry place with good ventilation for two weeks, after which, they should keep for winter use.

Complete the Summer pruning of Apple and Pear Espaliers, Fans and Cordons, remove any fruit which has been affected with brown rot and rake up any diseased leaves.

Rambling Roses, which only flower once, should be pruned after flowering, cutting out one in three stems at the base, to encourage new growth.

Summer prune Wisteria, removing all new shoots to five buds from the main stem.

Now is the time to set traps amongst your Dahlias, to catch Earwigs before they damage the blooms, fill a 3" pot with hay or straw and place it upside down on the end of the cane supporting the plant. The Earwigs will climb into the pot before dawn and will be waiting for you to shake them out to be disposed of.

This month on dry sunny days, you can start collecting seed from Annuals for sowing next Spring. Do not collect seed from F1 Hybrids as they will not produce flowers true to type next year.

Continue to water the garden during dry spells - watering in the evening will give the plants a better chance of retaining the moisture.

To keep your flowers in peak condition, continue to dead head them and give them a liquid feed of a high potash fertilizer, such as Tomorite once a fortnight.

Set the mower blades on a higher setting when cutting the grass during periods of dry weather.

Start collecting the seed of annuals such as French Marigold and Tagetes for sowing in the Spring.

Continue to keep containerised plants well watered, especially Camellias and Rhododendrons.

*John Boon*

## Men in Fellowship

This morning, our Men in Fellowship group enjoyed a most engaging talk from Uncle George Quarm, the minister at Merrow Methodists, along with the care of Stoughton Methodist Church, West Horsley Methodist Church and Sheerwater Community Hub Church.

Wearing traditional dress from his home country Ghana, Uncle George took us through his intriguing faith journey. Inspired to come to faith by a missionary in Ghana, he came to the UK 30 years ago and has worked in a faith capacity both across the UK and, during frequent visits, Europe. He is also an avid learner, holding a diploma in Theology and Religions, a BA in Mental Health, an MSc in Counselling Psychology, and he is currently pursuing a PhD in Parapsychology; and much of his ministry has focussed on supporting those facing problems with addiction or mental health. It was a most interesting talk, and good discussion followed.

Uncle George is also an avid fan of country music, so as well as our usual breakfast, we were treated to a rendition of "I Can't Stop Loving You." So as ever, a most enjoyable, and thought-provoking gathering was enjoyed by all.

## **The Ride & Stride September 13th, 2025**

[www.SurreyChurchesPreservationTrust.org](http://www.SurreyChurchesPreservationTrust.org)

Most counties in England hold an annual 'Ride & Stride', on the second Saturday in September, to raise money for church restoration and repair. The idea is that cyclists and walkers are given a list of churches and chapels in the area of their choice. They map out their own route to pedal or walk to places of Christian worship having arranged to be sponsored by friends for a fixed sum or donation per church visited.

The money that is collected is divided in two. Half goes to the church or chapel of the cyclist's or walker's choice, the other half is retained by the Surrey Churches Preservation Trust for distribution to churches in need. The Trust looks more favourably on applications from supporters of the Ride & Stride event. In the twenty-five years that Ride & Stride has been running in Surrey, over £500,000 has been raised.

The Trust, whose trustees are from most Christian denominations, runs the annual event in Surrey, supported by a dozen or so Area Organisers. These organisers give support to Church Organisers, providing the paperwork and any guidance they need for preserving our precious heritage.

Ride & Stride is a fun way to spend time on a pleasant Saturday in September while getting to know some Surrey places of Christian worship and raising funds for this worthy cause. Why not make up a group and join in this year! Some suggested routes are available from the SCPT website. Ask your Church Organiser for lists of participating churches and chapels together with sponsorship forms.

Supporters who prefer not to 'ride or stride', please consider sponsoring volunteers involved in this important event. In addition, joining the Trust costs very little and contributes to its vital work.

## About our Cathedral...

Did you recently find the weather so hot that you couldn't seem able to breathe or even step outdoors but when so doing needing to turn and rush inside immediately to shelter from the blistering, burning sun? Shadows were scarce and you desperately wanted to feel the fresh breeze on your face and the wind in your hair and a cool mountain stream beside you? Well, for future hot days take a trip out of Guildford in the direction of the Hog's Back and just off the A3 on the left side you'll espy a very large, red brick building that stands high up on a hill and is open all day (especially on Sundays) with free entry. Yes, you've guessed: it's Our Cathedral! So what's the attraction? It's just another stuffy old building, surely. Only, it's not. Our Cathedral is cool (being the true definition of the word as in "coldish" and not in today's parlance for the [aesthetic](#) quality of [attitude](#), behaviour, appearance or [style](#)). Anyway, never mind about aesthetic qualities let's take a trip to our Cathedral in the heat of the day and push through those large glass doors simultaneously taking in the wonderful ice-like etchings of angelic musicians thereon and enter the large, airy space and breath in the coolness. Then turn to look outside and observe the heat shimmering off the concrete steps, the unnerving stillness of the tree branches, the brown baked, parched and patchy grass and the cloudless blue sky with its pitiless sun rolling around heaven all day. Turn and stroll into this light filled haven with its soaringly airy chambers and long high-ceilinged walkways delicious in their coolness and laugh at the pounding midday heat outside. The pale, beigey interior colours seem to filter and absorb the sun's rays turning them into streaks of light bouncing off the invitingly cold marble floor. How does that sound? Stay there all day and bathe in the sheer heavenliness of it all. And at the day's end venture outside and feel the fresh hilltop breeze on your face and watch the sun sinking slowly in the West as the heat of the day dissipates. Of course, all this hinges on whether we get more hot weather this year – which we probably won't!
